

Wednesday 9-Nov-2022		Thursday 10-Nov-2022	Friday 11-Nov-2022
DAY1: FUNDAMENTALS OF SUSTAINABLE INFRASTRUCTURE & CIRCULAR ECONOMY		DAY 2: STRUCTURAL ENGINEERING FOR A SUSTAINABLE WORLD	DAY 3: SUSTAINABILITY AND CIRCULAR ECONOMY IN GREEN CITIES
Duration			
9:30 -10:00	Welcome Prof. Yusuf BARAN, Rector İYTE "The SUSTAIN-CE Project" Prof. Özgür Eğilmez YAŞAR University	Progress update and feedback from previous days Time available for trainees to use, if needed, to finish their work on their case studies	Progress update and feedback from previous days Time available for trainees to use, if needed, to finish their work on their case studies
10:00- 10:45	Keynote lecture 1: "Pillars of Sustainability" Prof. Ferda SOYER İYTE	Keynote lecture 1: "Sustainable and Resilient Structural Design" Prof. Cemalettin DÖNMEZ İYTE	Keynote Speech 1: "Green Building and Materials: How Green they are?" Assoc. Prof. İlker Kahraman Head of Chamber of Architects Izmir
10:45-11:00	Coffee break	Coffee break	Coffee break
11:00- 11:45	Keynote lecture 2: "Circular Economy as a sustainability enabler" Dr. Eleni FELEKI Aristotle University of Thessaloniki	Keynote lecture 2: "Sustainable Structural Design with Secondary Raw Materials" Assoc. Prof. Kostas KATAKALOS Aristotle University of Thessaloniki	Keynote Speech 2: "Sustainable Cities and Infrastructures" Mr. Murat DOĞRU Sustainable Buildings, Urbanism and Infrastructure Expert
11:45-12:00	Coffee break	Coffee break	Coffee break
12:00- 12:45	Keynote lecture 3: "Sustainable Design and Construction Principles " ... to be defined ...	Keynote lecture 3: "Adaptable Structural Design and Structural Systems for Disassembly" Prof. Özgür EĞİLMEZ YAŞAR University	Keynote Speech 3: "Innovative Technologies for Seismic Design of Structures" Dr. Cüneyt TÜZÜN Earthquake Engineer Consultant
12:45 - 14:15	Lunch break	Lunch break	Lunch break
14:15-15:00	Keynote lecture 4: "Life Cycle Analysis" to be defined....	Brief introduction to Case Studies: "Adaptable Structures" and "Resilient Sustainable Systems"	Case Study Group Work Presentations and Discussion
15:00-15:15	Coffee break	Coffee break	Coffee break
15:15 - 17:00	Brief introduction to the Case Study: "Successful international applications of sustainable construction practices" Case Study Work Group	Case Studies Work Group	Case Study Group Work Presentation and Discussion Awards Ceremony
	Conclusion of the day & few words for tomorrow		Conclusion of the day & few words for tomorrow
